Attachments & Signatures

Modification Form / Supporting materials & homeowner acknowledgement

Supporting materials

Please include scaled drawings (should include property lines, setbacks, easements, the existing residence, and any other pertinent information), and/or photographs and landscaping plans. These must show the nature, kind, shape, height, color, materials, locations, and dimensions.

Check the materials included with this application, as applicable.

☐

Scaled drawings / site plan

☐

Photographs

☐

Materials, colors & dimensions

☐

Landscaping plans (as applicable)

Obtain required committee approval before beginning work.

A proposed start date does not authorize work.

Any changes to this application shall be submitted in writing to the Brigata Hills Architectural Control Committee for approval.

I/We assume responsibility for all damages by our contractor or us to adjacent lots or common areas. All proper permits, locates, surveying, etc., as required by law are the responsibility of the homeowner.
